

March 29, 2021

Dear Families,

I hope everyone is recovering from the weekend of storms. At Aurora, we have jumped into the 4th quarter of the school year and we are ready to finish the year strong. There are several important announcements about this summer and next year below.

Parent Teacher Conferences:

We had an amazing turnout for our virtual parent teacher conference. If you were unable to attend please contact your student's teacher directly. These conversations about student progress are very important. Our goal is for 100% of families to participate.

Summer Learning Opportunity:

See attached for a new summer learning opportunity that Aurora will be providing. Space is limited, so please review and see if this is a good fit for your summer plans.

Proposed New School Hours:

The Aurora team is considering a shift in our start time for next year. The additional planning time in the morning will allow our staff to be even more prepared to deliver high quality instruction on a daily basis to your student. We value parent input and want feedback before making any adjustments.
