**TNReady Testing:**

The state is requiring all students in 2nd-5th grade to take the annual TNReady. As you might recall, the TNReady is a test provided by the state which helps measure a student's mastery of learning for the different subjects. We will be sending out a schedule for in-person testing for **all** students next week. We appreciate you working to ensure your scholar can complete the state mandated tests. We will have a TNReady parent meeting on April 27th at 5:00PM.

**School Traffic:**

During arrival and dismissal we ask that parents only make a right turn out of the school. This will allow us to have a safe and efficient arrival/dismissal time.

As always the entire Aurora team is here to support our students. If you need anything or have questions do not hesitate to reach out.

**Sincerely,**

Grant Monda
