Dear Families,

It feels like Spring has finally arrived at Aurora. The entire Aurora team is actively working to ensure we finish the year strong. We will have very important information for this year and next year shared weekly. Please make sure to continue to check out our weekly parent letter.

**Summer Learning Opportunity:**

See attached for a new summer learning opportunity that Aurora will be providing. Space is limited, so please review and see if this is a good fit for your summer plans.

**Proposed New School Hours:**

The Aurora team is considering a shift in our start time for next year. The additional planning time in the morning will allow our staff to be even more prepared to deliver high quality instruction on a daily basis to your student. We value parent input and want feedback before making any adjustments. If you have already provided input, you do not have to complete the survey again.
