

7/27/20

Dear Aurora Families,

Each day we move closer to our first day of school on Monday, August 10th!

This Monday we virtually welcome back our teachers as we start professional development for our staff, with the focus on ensuring our teachers are well prepared to support at home learning. Our at home learning will look very different from the Spring semester. We'll have more structures and better supports built in for student learning. We are confident that all students can, and will achieve through our at home learning plan. As you might be aware SCS has decided to go 100% virtual until further notice, we are still determining what is best for Aurora Scholars, and will continue to be in touch.

Attached to this letter you will find information on technology and material pick up. Prior to receiving your device, you MUST complete the Student Electronic Device and Internet Use Policy:

<https://hipaa.jotform.com/202034977878165>

Students in 1st - 5th Grade:

- We will have material pick up on Monday, August 3rd and Tuesday, August 4th

Students in Kindergarten:

- Since you are new to our Aurora Family and school, we want to provide a brief in- person orientation.
- All materials will be prepared for distribution during your orientation.

Moving forward, we are gathering all important materials in one place, should you need to find it. Visit the website here:

<https://auroramemphis.weebly.com/>

As always, please feel free to reach out with any questions or concerns.

Sincerely,

Grant Monda
