

8/17/20

Dear Families,

We **ALL** did it! Through the hard work and *determination* of students, teachers, and families we completed a successful first week of school. There were some challenges, but we were able to work through it. Please anticipate some minor changes as we continue to adapt to at-home learning.

Several weeks ago when we announced we would start fully virtual, we set a possible return date for learning at Aurora on September 8th. We as a school are evaluating a possible extension of that date, and will have more information shortly around potential return dates. Our goal is to return to learning physically in the Aurora building as soon as it can be done safely. Any decision we make will be made with the best interest of scholars and staff in mind.

Next week, scholars will receive instruction using our Eureka Math and EL curriculum. It is so important that scholars have their workbooks provided during supply pick up. If you have not picked up your materials, please reach out to the main office to do so - Phone: 901-249-4615

Helpful Reminders:

Tech Help or Tech Trouble:

Meal Distribution on Mondays at 12:00 - 2:00 PM:

Meal boxes containing 5 breakfasts and 5 lunches per scholar will be available for pick-up starting at 12:00 PM. Parents must fill out and sign a Meal Accountability Form with the scholar's name and birth date. Meal boxes will be distributed on a first come first serve basis.

As always, please feel free to reach out with any questions or concerns.

Sincerely,
Grant Monda
Executive Director
