Dear Families,

We have made it to week 7 of the school year! Your scholars have been working hard, and the growth in their learning is evident. Aurora students have adapted to this new way of learning and are thriving despite the many challenges.

We had previously communicated our goal of possibly opening on October 1st; however, we know that is not currently possible. Aurora is committed to bringing back students as soon as we can. We are currently re-evaluating the situation to determine a new potential date for a hybrid start. Please be assured that whenever we choose to come back, safety will be a top priority, and you, the parent, will ultimately have the choice if your student returns to school in-person or continues at-home learning.

This Thursday we will host our annual Title 1 night via Zoom, 5:00 PM-6:00 PM. A copy of the parent engagement plan and a flyer will be shared prior to the meeting. Please review the plan and bring any questions you have to our Thursday meeting.

Thank you for your grace, patience, and effort to make this unusual year a success for our scholars. As always if you need anything please reach out to your teachers via ClassDojo or call the school during normal school hours. We are here for you.

Sincerely,  
Grant Monda
