Dear Families,

I hope everyone was able to take advantage of the day off on Monday. I know our teaching staff are excited for lots of learning this short week.

While over the last few weeks we have focused on planning for and providing a high quality education for our scholars at home, we also recognize that many of our students and families' needs extend beyond the classroom in these unprecedented times. Please know that Aurora is here for you.

We have a full time Family Coordinator- Mrs. Loy on staff who is available to support you in areas outside of academics such as: food pantry locations, ESL classes, locating low or no cost medical clinics, and more. We have created [this resource page on our Weebly site](#), if you need additional support please reach out directly to Mrs. Loy: yloy@auroracollegiate.org

The entire Aurora family is committed to supporting our scholars and families in any way we can during the pandemic. Please let us know and we will use our deep community relationships to help.

As always, please feel free to reach out with any questions or concerns.

Sincerely,
Grant Monda
Executive Director
